

LIES OF THE MIRAGE EXPEDITION EXPANSION

INCLUDES: ONE (1) ANDROID APP

This expansion introduces Two Randomized Abilities shown Hidden Objectives and up every round; only one may Randomized Abilities that will be played by clicking on the replace the physical Ability ability. This removes the other Cards that the base game ability, and the phone may then provides.

Four Android phones are required to play the expansion, Hidden Objectives reveal as the roles are only given for themselves on Round Two, and ONE ARCHAEOLOGIST. must be followed to guarantee a True Victory.

The Restless is not directly modified by this expansion. A True Victory is an Expedition Win (unless your objective makes you win with the Ancient) AND an Objective Win.
